

PILGRIMAGE OF THE HEART

Weekend Retreat

“Faith is not the clinging to a shrine but an endless pilgrimage of the heart.”

RABBI HESCHEL

“We walk not only to disconnect from the rapid pace of life, but to make space for presence, healing, connectedness on many levels – with others, with our world, and with ourselves.”

REV. TERRY HERSHEY

HOSTED BY: Rev. Terry Hershey

Join Terry as he dives deeper into pilgrimage as a journey within. Terry reflects on his original Camino experience and what drew him to revisit the sacred thin places where his “heart was tender.” A Pilgrimage of the Heart never arrives at a destination – we need to continue to find what sustains, heals, restores, and inspires. Terry writes: “If you need to be deeply renewed, purged of toxins, and ready to start life anew, let God lead you on pilgrimage – if only in your spirit and heart to a sacred place that enriches the soul.”

Terry is a renowned author, humorist, engaging inspirational speaker, master storyteller, and ordained minister.
