

CHRISTMAS ORNAMENT WORKSHOP

Painting and Kintsugi

*Kintsugi invites us to see beauty in what has been broken
and made whole again.*

HOSTED BY: BEVERLEE KLOPFENSTEIN
SOUL CARE ARTISAN, RETREAT & EVENT LEADER

Join us for a joyful and inspiring hands-on workshop exploring the beauty of the Kintsugi tradition through painting and mixed-media Christmas ornaments.

As you create, you'll have space to slow down, reflect, and discover the meaningful things that can happen when your hands are in motion and your creativity is given room to unfold.

Expect a welcoming, creative experience filled with reflection, connection, and a few surprises along the way.

No special artistic experience is needed—just a willingness to create, explore, and enjoy the process.
